

Gene Facey

Gene and Dianna Facey moved to Sun City in 2003 from Dallas. Gene spent over 34 years in the international offshore oil and gas drilling industry including approximately 25 years in senior management positions with operational and financial responsibilities. His education as a civil engineer was an asset in his 2006 – 2008 role as Chair of the CA Property and Grounds Committee. Since 2005, he has also been a member of and continues to serve on various CA Board and Governance Committee task forces and subcommittees. Gene also volunteers his time for the City of Georgetown on their Planning & Zoning Commission and for the U.S. Coast Guard as Chair for the National Offshore Safety Advisory Committee. When not in Sun City, he can be found in Brenham where he and Dianna operate and manage a 50 acre beef cattle operation.
