

Linda Shaw

I am a native Texan, having lived most of my life in Denton, where I worked and retired from the United States Postal Service. My husband, Tony, and I moved to Sun City in January of 2009, after RV'ing around the United States for several years, looking for the perfect place to settle. We found that place in Sun City. Even though we've only been here a short time, I love the community, and have become involved with organizations. I am Block Captain for my street and serve on the Social Committee for N15. Shortly after becoming a member of the Citizen's Council, I worked on the Membership Committee. I am now Treasurer of the Citizen's Council, and look forward to working with all members in helping to maintain this wonderful community we live in.
